

VICTORIA VANNOY

[Experience]

Victoria Vannoy serves as the Intelligence Analyst of Origin. Victoria examines information from a wide variety of sources, evaluates and assesses the information she has gathered, develops meaningful intelligence assessments free of bias, generates reports, conducts background checks, and provides the common operating picture for the investigative team to execute tasks.

As a military officer, she served in numerous positions of high-level responsibility such as platoon leader and detachment commander under stressful and austere work environments. Her responsibilities included leading a lethal fighting force through tactical operations, gather intelligence in the field, and directing perimeter security. She excelled and retired earning the rank of Captain.

In addition, Victoria has served as the Regional Crime Intelligence Analyst of the Broward County Sheriff's Office, where she collected and analyzed information through a variety of intelligence disciplines such as open-source intelligence (OSINT), geospatial intelligence (GEOINT), and social media intelligence (SOCMINT). She provided real-time analysis on criminal activity and accurately located suspects which lead to numerous of arrests. She also collaborated with several external agencies along with fusion centers to create, disseminate, and share intelligence in an effort to detain criminals across county lines. Victoria also produced crime analysis to view, evaluate, and forecast future crimes and trends, to assist in tactical and strategic planning in response to the crime patterns that she discovered.

Victoria attended Florida International University where she earned a Bachelor of Science in Criminal Justice and a Master's of Arts in Intelligence Studies from American Military University. Victoria is bilingual, speaking Spanish and English.
