

YI MIN

[Experience]

Yi Min's professional law enforcement and military experience has provided him with a broad range of qualifications and skills.

He completed his police academy training with top of class performance and was certified as an Arizona Peace Officer by Arizona Commission on Peace Officer Standards and Training (AZ POST). He also completed AZ State Trooper Academy in addition to the POST certification and serviced as a State Trooper in the Phoenix Metropolitan area for Arizona Department of Public Safety (AZ DPS).

Through his law enforcement career, Yi has received specialized training from Arizona High Intensity Drug Trafficking Areas (AZ HIDTA) in drug trafficking interdiction and investigation. He has exhibited a high standard of expertise utilizing intelligence resources to assist with investigations. Yi was also a certified AZ POST general instructor. He had worked with Department of Homeland Security, US Immigration and Customs Enforcement, Maricopa County Attorney's Office, and assisted local law enforcement agencies with numerous investigations.

Yi is also a dedicated and professional Navy combat veteran. During his deployment, he provided base operational support services for US Central Command Expeditionary and Maritime Component Forces supporting Operations SENTINEL, INHERENT RESOLVE, SPARTAN SHIELD and Maritime Security Operations within the USCENTCOM AOR.

He was assigned as Chief of the Guard and in charge of a multinational security force, ensuring the safety and security of 1,470 personnel and \$1.7B in mission critical assets. He supervised 56,735 vehicle inspections, conducted 400 security patrols, 360 random anti-terrorism measures, and four high-profile security details with zero discrepancies.

Additionally, Yi was a leading field training officer for the Navy security force, where he conducted over 80 hours of Standard Operating Procedures, Incident Response Planning, and Pre-Planned Response training.

Yi is fluent in Mandarin Chinese and had played a critical role in official translation during his investigative and law enforcement career.
