

SMS PRIVACY POLICY

We respect your privacy. We only use information you provide through this service to transmit your mobile messages and respond to you. This includes, but isn't limited to, sharing information with platform providers, phone companies, and other vendors who assist us in the delivery of mobile messages. Mobile information will not be shared with third parties/affiliates for marketing/promotional purposes. All the above categories exclude text messaging originator opt-in data and consent; this information will not be shared with any third parties. Nonetheless, we reserve the right always to disclose any information as necessary to satisfy any law, regulation or governmental request, to avoid liability, or to protect our rights or property. This Text Message Service Privacy Policy applies to your use of the Text Message Service and isn't intended to modify our general [Privacy Policy](#), which may govern the relationship between you and us in other contexts.

COSTS OF TEXT MESSAGES

We do not charge you for the messages you send and receive via this text message service. But message and data rates may apply, so depending on your plan with your wireless or other applicable provider, you may be charged by your carrier or other applicable provider.

FREQUENCY OF TEXT MESSAGES

This Text Messaging Service is for conversational person-to-person communication between you and our employees. We may send you an initial message providing details about the service. After that, the number of text messages you receive will vary depending on how you use our services and whether you take steps to generate more text messages from us (such as by sending a HELP request).

OPTING OUT OF TEXT MESSAGES

If you no longer want to receive text messages, you may reply to any text message with STOP, QUIT, END, REVOKE, OPT OUT, CANCEL, or UNSUBSCRIBE. As a person-to-person communication service, opt-out requests are specific to each conversation between you and one of our employees and their associated phone number. After unsubscribing, we may send you confirmation of your opt-out via text message.
